

EPIC Food Donations Program

Missions and Outreach would like to invite Bethel Members to participate in the following food donation and distribution program for the MONTH OF MAY ONLY (for now):

A food delivery program called EPIC (Empowering People, Impacting Change) packages and delivers groceries to about 30 food challenged families in the City of Spartanburg and School District 7 area.

Bethel's involvement would be to bring specific food donations (or cash) to the Church for Sally Moore or others to package and deliver the groceries to food challenged families.

The program basically provides groceries for one meal twice a month and a snack twice a month. You can check out the EPIC (Empowering People, Impacting Change) program in the blog link below.
